#### A DAUGHTER'S TRIBUTE

Every time that I smile, every time that I sigh, I think of your face, and a tear escapes my eye.

You were my world, my inspiration and my heart, But when you left me, I thought I would fall apart.

You were my best friend, my one true 'confidante', And that's not all you were, you were also my mom.

I didn't want to live without you, but you would have wanted me to, And if there's anyone I want to make happy, that anyone is you.

I would have given anything to have you back, But I know now that it was meant to be, For you are still watching from up there, And I know you're watching me.

"I can do all things through Christ which strengthened me" -Philippians 4:13

TRIBUTE TO MY FAMILY & FRIENDS

At every turning of my life
I came across good family and friends.
Family and Friends who stood by me
Even when the time raced me by.
Farewell, farewell My family and friends.
I smile and bid you goodbye.
Now, shed no tears, for I need them not,
All I need is your smile.
If you feel sad do think of me,
For that's what I'll like.
When you live in the hearts of those you love,

Remember then, you never die.

Hate no one, no matter how much they've wronged you. Tive humbly, no matter how wealthy you become. Think positively, no matter how hard life is. Give much, even if you've been given little. Keep in touch with the ones who have forgotten you, and forgive who has wronged you, and do not stop praying the best for those you love."

-Bishop Dale C. Bronner
