

## Footprints

*One night I dreamed a dream.  
As I was walking along the beach with my Lord.  
Across the dark sky flashed scenes from my life.  
For each scene,*

*I noticed two sets of footprints in the sand,  
One belonging to me and one to my Lord.*

*After the last scene of my life flashed before me,  
I looked back at the footprints in the sand.  
I noticed that at many times along the path of my life,  
especially at the very lowest and saddest times,  
there was only one set of footprints.*

*This really troubled me, so I asked the Lord about it.  
"Lord, you said once I decided to follow you,  
You'd walk with me all the way.  
But I noticed that during the saddest*

*and most troublesome times of my life,  
there was only one set of footprints.  
I don't understand why, when I needed You the most,  
You would leave me."*

*He whispered,  
"My precious child, I love you and will never leave you  
Never, ever, during your trials and tests.  
When you saw only one set of footprints,  
It was then that I carried you."*
