

ACKNOWLEDGEMENT

The family of Leroy Wyatt is deeply grateful to individuals who, by their cards, phone calls, floral arrangements, acts of kindness, prayers, presence and concern took the time out of their busy schedules to give us comfort in our bereavement.

MAY YOU ALWAYS WALK IN SUNSHINE

May you always walk in sunshine and God's love around you flow, for the happiness you gave us, no one will ever know.

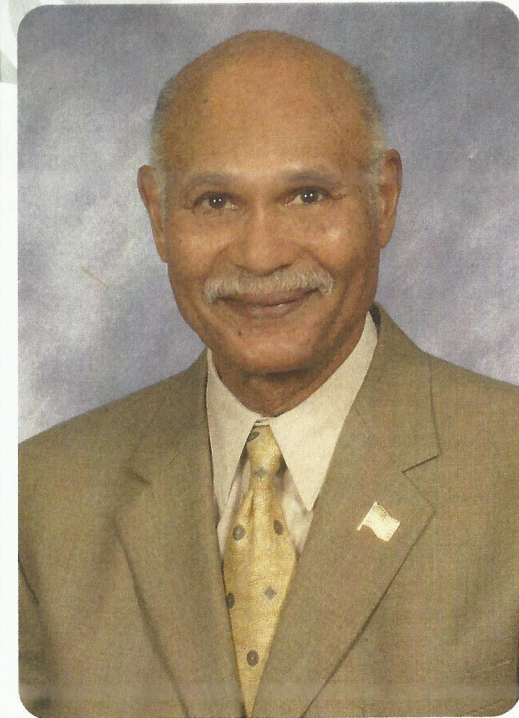

It broke our hearts to lose you, but you did not go alone, a part of us went with you, the day God called you home.

A million times we needed you, a million times we've cried. If love could only have saved you, you never would have died.

The Lord be with you and may you rest in peace.

OBITUARY

Leroy S. Wyatt transitioned into eternal rest on September 13, 2020 at the Epic Nursing/Rehabilitation Center in White Plains, NY.

Leroy S. Wyatt was born May 17, 1930 in Brunswick County, Virginia to the late Sheffie and Irene Jones Wyatt. He received his early education in the Brunswick County school system. He graduated from St. Paul's Polytechnic Institute in Laurenceville, Virginia. In 1952 he graduated from Virginia State College (now Virginia State University) with a Bachelor's Degree in Agriculture. During his matriculation at Virginia State he was in the ROTC and was initiated into Sigma Phi Beta Fraternity, Inc.

One of the great joys of Leroy's life, that he took pride in was his military service. He served five years in the U.S Army and was honorably discharged with the rank of I51 Lieutenant. He served in the Korean conflict. Leroy was a life member of VFW Post# 5469 out of Harrison, NY.

Leroy was an active and dedicated member of the Chatterton Hill Church. He loved his spiritual home at CHC and as a result of that love, he served in several capacities. He was a Deacon, Trustee, House Chairman and Sexton. Leroy loved that historic building and his top priority was keeping it up to date and in the best of shape. He was a Director Emeritus of the Battle Hill Association and a Neighborhood Watch member.

Leroy retired from General Foods Research Center in Tarrytown, NY in 1986 after 25 years of loyal service. He took pride in his work and the ability of a man to support his family and enhance the quality of his environment. Hard work was his rally cry and what guided him forward. It was not uncommon for Leroy to have many jobs and to always have his hand to productive engagements.

He was one of the most centered men. He was very down to earth, humble and unpretentious. He loved nice things, but not focused on materialisms. He would help anyone he could and was unassuming in his care for others. With his giving, he also provided heartfelt advice that was structured on the foundations of wisdom and life experience.

Leroy was a family man. He adored his family and honored his parents to the day of his transition. He understood the struggles and sacrifices that his father made and was determined to use that as his foundation in creating his own family. Everyone can recite the story of his father and the money jars in the smoke house. When Leroy asked his dad about the money in the smokehouse, his dad's response was "we are going to buy us a house son".

Leroy was preceded in death by his beloved son Karl, loving daughter-in-law Emmy, his brothers James, Johnson and Herman and sisters Pearl Walker and Daisy Cooper. Leroy was the youngest of the Wyatt children.

He leaves to cherish his memory his loving and devoted wife of 63 years, his rock and jewel Rose Wyatt; sons, Keith (Valencia) of Hopewell Junction, New York and Kenneth of Bedford, New Hampshire; two granddaughters, Caroline and Danica; two grandsons, James and Jayden; a daughter-in-law Orlanda Wyatt of White Plains, New York, a special friend Carlette Mitchell of White Plains, NY and a host of relatives and friends.
