

I'm Free

*Don't grieve for me, for now I'm free,
I'm following the path God laid for me;
I took His hand when I heard Him call
I turned my back and left it all.*

*I could not stay another day
To laugh, to love, to work, or play;
Tasks left undone must stay that way.
I found that place at the close of day.*

*If my parting has left a void,
Then fill it with remembering joy,
A friendship shared, a laugh, a kiss;
Ah, yes, these things I too will miss.*

*Be not burdened with times of sorrow;
I wish you the sunshine of tomorrow.
My life's been full, I savored much,
Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief
Lift up your heart and share with me.
God wanted me now - He set me free.*
